

BikeMessenger24
with live radar

We drive for you

Fair to the environment

Whether it's lightning-fast transport, instant retail deliveries, or same-day grocery delivery to your home, Bikemessenger24 gets it done.

Fair to the couriers

Fair to the couriers
We deliver everything that fits in a backpack. We're faster than regular traffic. Studies have long proven it—so when you choose us, you're playing the music of the future.

Become a courier

Fair pay. Fair to the climate. BikeMessenger24.com

Work independently and freely as a bike courier in your city. As soon as a customer needs something from your neighborhood, you'll be notified via Whatsapp or phone. We see ourselves as a lightning-fast competitor and an alternative to well-known major providers who not only pollute the air but also treat their people unfairly.

Become a courier with Radkurier24
Work independently and freely as a courier in your city. As soon as a customer needs something from your neighbourhood, you will be informed via our Radkurier24 courier centre on your mobile phone.
